ALUMNI MEETING

Dear our college alumni,

Good morning!

Usilampatti Pasumpon Muthuramalinga Thevar College Alumni Association (UPMTCAA) Meeting will be held on 27th October 2021 at 11.00 a.m. at the College Meeting Hall.

Alumni associations play an important role in the growth and prosperity of the college. All world-class colleges have effective engagement with alumni and alumni associations. Alumni receive regular emails from the College Alumni Association and maintain a vibrant link between the Association and the alumni. Alumni are ambassadors in the community and industry spread around the world. The college should use the strength of the alumni so that they can motivate the college in the best possible way by developing new idea, concept of courses design, industrial communication, and thereby industrial research. Such an association would help train students and provide employment and fundraising.

It is good to learn the service approach from successful alumni associations and to develop the habit of continuing to excel. Strong recommendation is very important to focus on setting up the alumni association and reassuring alumni about our service approach.

I urge alumni to make important quotes as follows:

"Coming together is a beginning, being together is a breakthrough and working together is a success."

The alumni association can play a key role in making UPMTC a world class college through efficient administration in the future. The alumni association is not only an important source of fundraising, but can also provide external support for alumni to gain honest feedback on the design and purpose of courses, promoting entrepreneurship, promoting industry research, training for students, and employment.

I warmly invite all alumni to this meeting.

Dr. O. Ravi
Principal
