

INVITATION

Career Counseling for B.Com. Students

Dear Teachers and Students,

The Institute of Chartered Accountants of India (ICAI) is a statutory body established under the Chartered Accountants Act, 1949 (Act No. XXXVIII of 1949) for the regulation of the profession of Chartered Accountants in India. During its 73 years of existence, ICAI has achieved recognition as a premier accounting body not only in the country but also globally, for its contribution in the fields of education, professional development, maintenance of high accounting, auditing and ethical standards. ICAI now is the second largest accounting body in the whole world.

To become a member of ICAI students are required to complete 3 levels including CA Foundations, IPCC (two groups) and Articleship followed by CA Finals. For more information, please refer to <https://www.icai.org/>

At DPS, a part of the first two levels of CA exams are integrated with the curriculum of BCOM F&A and students are provided with regular training sessions on the CA Foundation and IPCC levels of CA, as required to become a member of ICAI. Enormous pass percentages from the existing batches add on to the success rate of the in-house training sessions.

Students of BCOM F&A are eligible to take up this programme.

To know more about CA exams, career counseling is arranged for our college B. Com., Third year students. This will take place on **15.11.2021** at **10.30 am** at our college meeting hall. This event is arranged with The Institute of Chartered Accountants of India, Madurai Branch.

We warmly invite the teachers working in the Department of Commerce and students studying third year B.Com degree course to this event.
