# INVITATION

**Nature Conservation Club organizes Two Day Camp  
on 06 and 07.11.2021**

***Disposal of Plastic Waste (பிளாஸ்டிக் கழிவுகளை அகற்றுதல்)***

Dear All,

A two day camp is being organized on **Saturday (06.11.2021)** and **Sunday (07.11.2021)** on behalf of the **Nature Conservation Club** of **Usilampatti Pasumpon Muthuramalinga Thevar College** to make the **Andipatti Velappar Temple** plastic-free. The camp organizers will generally hold a camp at this temple with the aid of the Pasumpon Muthuramalinga Thevar College (PMTc) once a year realizing the accumulation of plastic rubbish.

As part of the campaign against environmental pollution, volunteers from the Nature Conservation Club, led by College Principal **Dr. O. Ravi**, are to collect the plastic scattered on the temple's public streets and roads. The purpose is to create awareness among the public about the daily plastic waste generated in the temple. The initiative is aimed at educating the public about the threat of plastic, blockage of drains and pollution.

**"We want to make the temple plastic-free."** We will advise people to join the movement voluntarily and assist our efforts and the efforts of the temple administration. Our Nature Conservation Club has also developed a plan that will involve ward members and union councilors for maintaining cleanliness without dumping plastic waste and other debris on the roads/streets.

**PMTc** volunteers will collect garbage and separate it as wet and dry. Three-quarters of dry waste will be plastic. Our team members will advise the temple administration to take stern action against litterers in the temple and to ban disposable plastic items including bags, spoons, cups and straws.

Congratulations on the success of this camp. On this auspicious day we pledge to eradicate plastic. We warmly invite all of you to the camp.

Valandhur **Mr. P. Pandian**  
Secretary

**Dr. O. Ravi**  
Principal
