INVITATION

MEETING OF RETIRED TEACHERS OF OUR COLLEGE

Dear Retired Teachers of our College,

Greetings from **Usilampatti Pasumpon Muthuramalinga Thevar College!**

Our Usilampatti Pasumpon Muthuramalinga Thevar College was started on 05.07.1968. Since its inception, many teachers had contributed their educational services for our college. In order to honour them, the present administration has decided to invite all of them to our college and hold an appreciation ceremony for them in recognition of their impeccable teaching services. A Get-together in this connection has been arranged at our college on **13.11.2021** at 10 am. We warmly invite you all to this gathering.

At our college, we want to promote a dialogue and innovative environment that fosters integrity, uniqueness, content, respect, collaboration and innovation. We firmly believe that this meeting will give you all an opportunity to remember the days spent at the Pasumpon Muthuramalinga Thevar College and to maintain and promote harmony and unity among you.

It is an opportunity for us to remember and show gratitude to those who served our college for many years. We will ever attribute the success of our college to the selfless contribution of the teachers.

This event will turn out to be an exciting one when the event is attended by Sexagenarians, Septuagenarians and Octogenarians.

As many as 35 teachers, who had retired from our college, are to be felicitated on **13.11.2021** by the management for their contribution. The felicitation, which is a splendid event, will obtain name that it is the first ever event in the history of our college and the nearby colleges as well.

We feel the following ever green memories would spontaneously flow at the time of honouring you.

1. All of you will certainly be attended in the meeting because of the love you had for the institution you worked for more than 35 years,
2. Your age and physical weakness of your body will not be a hinderance to you for attending the scheduled meeting and meeting your old colleagues and the present teachers,
3. The joy with which you will step up to the college podium to receive the memento would definitely reduce your age and will give a spring to your gait, and
4. Old contacts will be renewed by you by attending the meeting and new bondings will be initiated with one another.

Retirement life should be viewed as a new beginning: a time to redirect and refocus our attention to interests previously unpursued, and a time to take on new, novel challenges as the landscape of our college campus and the landscape of higher education, in general continuously evolve in the 21st century.

With this in mind, the **PMTC Retired Faculty Association (PMTCRFA)** is going to establish on **13.11.2021** to facilitate successful retirement experiences for current and soon-to-be retirees, and encourage retired faculty members to remain actively involved in academic, educational, scholarly and cultural activities.

The aims of the Retired Faculty Association are:

- To facilitate constructive contributions by its members to the college ;
- To ascertain the relevant needs of retired faculty and to communicate this information to the administration;
- To promote social and intellectual interaction among its members and
- To permit the scheduling of events and programs for its members on a continuing basis.

Your august presence will make the day more meaningful and it is going to be a historical day which would be a model day for the entire educational institutions. This would come periodically and our greetings to you.
