(Affiliated to Madurai Kamaraj University)

USILAMPATTI - 625 532, MADURAI DISTRICT

INVITATION

ONE DAY FACULTY DEVELOPMENT WORKSHOP ON ENHANCING TEACHING EFFECTIVENESS

Dear Teachers of our college,

Standards for educational technology and curricula are constantly changing. It is a challenge for teachers to follow the trends and best practices in this field. Professional development for teachers makes teachers strong and relevant by allowing students to create useful and personalized lessons. Expertise in teacher education is the need of the hour. Knowledge and experience alone are not enough for teachers in their entire careers to supporting them.

The workshop is a teaching framework that encourages teachers to be creative and responsible in their own learning. The workshop model urges teachers to take responsibility for their own learning, to be active, to engage in their work, and to develop understanding.

This FDW is designed to enhance the teaching and other skills of teachers and to inform them about modern teaching tools and methods. It provides an opportunity to gain knowledge about current technological developments in related fields. This will not only promote our education-related teaching practices, but also motivate teachers to achieve a teaching and learning environment, thus leading to development in terms of academic qualifications and personalities.

Dr. P. Suriarajan, Director of PSR Consultancy, Madurai is coming to our college on 20.11.2021 (Saturday) as a resource person for this FDW. We warmly invite all of you to this workshop. We will benefit by attending.
