73rd Republic Day Celebrations

Dear All,

Republic Day of India is celebrated in India to commemorate the day the Constitution of India came into force. The Constitution of India was signed on January 26, 1950, after which January 26 is celebrated as the Republic Day of India. Since its historic day, January 26 has been celebrated with patriotism across the country.

The purpose of the Republic Day celebrations is to showcase the diligence, perseverance, endurance and courage of the Indian Defense Forces.

The theme of this year's Republic Day is 'India @ 75'. It marks the 75th anniversary of our country's independence.

This year, the Republic Day celebrations are all set to begin from January 23 this year instead of January 24 in the honour of Netaji Subhash Chandra Bose.

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. Various activities were launched until the Republic Day 2022 celebrations. An essential element of Azadi Ka Amrit Mahotsav is to connect the youth with our rich cultural heritage. The purpose of these activities is to select the best talents from across the country and give them the opportunity to be a part of the Republic Day 2022 celebrations.

"In memory of Amrit Mohostav, it has been decided to hold 750 million Surya Namaskar programs in 30 states from January 1 to February 7, which will include 30,000 institutions and 3 lakh students. All higher education institutions and affiliated colleges are requested to participate in this event," the University Grant Commission said in a statement.

As a part of it, Republic Day 2022 is to be celebrated on 26.01.2022 at 8.30 am on our college campus. All arrangements are being made by our College NCC team.

We warmly invite all of you to this event.

Jai Hind.
