INVITATION

Public Debate on the Eve of the 73rd Republic Day

Dear All,

An organization called "People's Connect" has recently been formed at Usilampatti. The fact that people in the region often confine themselves to small circles and set up their lives based on old thinking without foresight is a major obstacle to development. Thus failing to create unity among the people. Integrity is a daydream. Thus we have named this organization as People's Connect in order to connect people. Its purpose is to create awareness that unites people for development!

Motto of People's Connect:

"Everyone is Independent
As well as
Everyone is
Mutually
Inter dependent."

Usilampatti People's Connect and Usilampatti Pasumpon Muthuramalinga Thevar College are planning to hold a public discussion on the most important issues during Independence Days and Republic Days. On the eve of Republic Day, we are pleased to announce that we are going to hold a public debate in the name of "On Indian Republic - A Review".

The owner of the Maya Channel (broadcast), Mr. Rakesh has joined our People's Connect. He has volunteered to do all the work related to the news section of the People's Connect, and has expressed a desire to broadcast events on People's Connect through his company, the Maya Channel. We think he will take care of the above responsibility of People's Connect.

We warmly invite all of you to this Public Debate.

Advance Happy Republic Day
