INVITATION

Nature Conservation Club organizes a one day seminar on
"Uzhaga Poraali Nethaji"

Dear All,

Subhash Chandra Bose was born on 23 January, 1897 in Cuttack (Orissa) to Janakinath Bose and Prabhavati Devi.

Subhas Chandra Bose (also called Netaji) is known for his role in India's independence movement. A participant of the noncooperation movement and a leader of the Indian National Congress, he was part of the more militant wing and known for his advocacy of socialist policies.

In order to honour and remember Netaji's indomitable spirit and selfless service to the nation and to inspire people of this country especially the youth and to infuse in them a spirit of patriotic fervour, his birthday has been observed every year.

Last year, the central government announced that Subhash Chandra Bose's birthday, January 23, would be celebrated every year as "Parakram Diwas" - a day of bravery.

The Republic Day celebrations are all set to begin from January 23 this year instead of January 24 to celebrate the birth anniversary of Netaji Subhash Chandra Bose.

In our college, the **Nature Conservation Club** has planned to hold a one-day seminar on **Uzhaga Poraali Nethaji** on 22.01.2022.

We warmly invite all of you to this seminar.
