## INVITATION

### In Association with People's Connect Holding Interaction on Local Self Government

Dear All,

People's connect, a forum founded by Mr. I. Balasubramanian which has been holding discussion on current affairs and matters of public importance and PMT college, under the present secretaryship of Valandur Mr. Pandian and under the present principalship of Dr. O.Ravi, has become the launchpad for initiating any kind of activities for the welfare of this society. Both of us felt that it is necessary to hold an interaction on local self government to create awareness among the voters. In order to make Indian democracy a vibrant one, participation of the public is prerequisite for it. Hence we invite all of you to participate in this interaction and make India, one of the largest democracies in the world to move forward.
